## Individualized Learning Plan (ILP)

**Resident Self Reflection of previous ILP:** (*\*resident should review prior to meeting and fill out below\**)

Goal outcome(s) (*What happened with your goals?*):

Personal insight(s) (*What did you learn about yourself in your goals? How can you overcome future goals?*):

### Critical Elements of Goal: Objective, Measurable, Timeline

| <b>Goal*</b><br><i>Make it important</i> | <b>Objective(s)*</b><br><i>Make it specific<br/>Make it realistic</i> | <b>Measurable</b><br><i>How will it be measured?<br/>Who will be accountable?</i> | <b>Timeline</b><br><i>When will I know if I've<br/>been successful (or not)?</i> |
|------------------------------------------|-----------------------------------------------------------------------|-----------------------------------------------------------------------------------|----------------------------------------------------------------------------------|
|------------------------------------------|-----------------------------------------------------------------------|-----------------------------------------------------------------------------------|----------------------------------------------------------------------------------|

\*Goals and especially objectives should be **ISMART**: **I**mportant, **S**pecific, **M**easurable, **A**ccountable, **R**ealistic, and with a **T**imeline

Remember that you can have a large goal fulfilled by small, manageable steps
