

Individualized Learning Plan (ILP)

RUHS - Primary Care Track

Resident Self Reflection of previous ILP: (**resident should review prior to meeting and fill out below**)

Goal outcome(s) (*What happened with your goals?*):

Personal insight(s) (*What did you learn about yourself in your goals? How can you overcome future goals?*):

Critical Elements of Goal: Objective, Measurable, Timeline

Goal* <i>Make it important</i>	Objective(s)* <i>Make it specific Make it realistic</i>	Measurable <i>How will it be measured? Who will be accountable?</i>	Timeline <i>When will I know if I've been successful (or not)?</i>
--	---	---	--

*Goals and especially objectives should be **ISMART**: **I**mportant, **S**pecific, **M**easurable, **A**ccountable, **R**ealistic, and with a **T**imeline

Remember that you can have a large goal fulfilled by small, manageable steps

	Category	Goal using ISMART format
Goal #1	Medical Knowledge OR Patient Care	•
Goal #2	Personal Wellness OR Joy/Meaning in Profession	•
Goal #3	Board Preparedness	•
